Introduction

Firstly, Thank you for the amazing work you have been doing and continue to do in Nottingham schools. Through our links with the education department, we continue to be amazed at how staff go beyond and beyond across the city delivering for our pupils.

The DAISI team supports Nottingham Schools and Academies with data analysis, assessment moderation, census and funding support. We work hard to serve our local schools and are available if any further help is required. We also continue to work with colleagues across the city in a variety of different departments.

We hope this document explains and covers any questions you might have regarding the range of products and services, ordering and invoicing from the DAISI team. To help your search, we have placed the products in alphabetical order.

All prices remain unchanged from last year.

Please remember, we are always happy to help with any enquiries over the phone or email to help you with your data or explain the Census/moderation processes. We remain incredibly focused in our support of all our Nottingham schools and academies and look forward to continuing to work with you in the many years to come.

Analyse School Performance

ASaP is your ASP summary down analysed for you.

We provide clear performance statements of the main data plus full analysis of your cohort groups. We will also update your reports with the validated data later in the year.

<u>ASaP Primary</u>		This is included in the Primary Data Package
<p>Fixed Price if ordered separately</p> <p>£199</p>	<p>You can use the ASaP Reports to..</p> <ul style="list-style-type: none"> • Incorporate key messages into the data section of your SEF • Use key analysis in your school development plan • Work with key staff to ensure evidence-based decisions are taking place around curriculum planning • Use to present your data in a simple way to Governors and school improvement partners to help them support you better. <p><i>More information:</i> https://daisi.education/asap-for-primary-schools/</p>	

Annual Data Analysis Package 2024-25

The DAISI Data Analysis Package remains the most cost effective and comprehensive way of using our service with a new fixed price of only **£3.99 per pupil*** for the new one year fixed package.

We bulk buy the FFT Aspire Licences for all Nottingham City Primary Schools. In doing so, we offer schools a substantial discount on the cost of an annual FFT Aspire licence. The data package remains the only way to access the FFT licence.

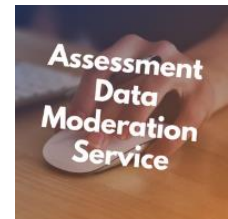

The package also includes the powerful functionality within Perspective Lite courtesy of our links with NCER. Online training will be provided to help headteachers and data leads make the most of this resource.

DAISI Data Analysis Package 2024-25	£3.99 per Pupil
<p><u>FFT Aspire Licence</u></p> <p>Allows your school to access school and pupil estimates, attendance tracker, student explorer, governor data dashboards and self-evaluation reports and share data amongst identified schools plus many other features.</p>	
<p><u>Interactive data reports in Perspective Lite</u></p> <p>The Insight tool gives a powerful overview of your school against national figures (based on the data from all 152 local authorities). It is included alongside the interactive NOVA data reports and Watchsted for information on Ofsted Inspections.</p>	
<p><u>Y6 SATs Results Question Level Analysis (QLA Results)</u></p> <p>All your pupil's results of the SATs test papers for Maths, Reading & GPS condensed into 3 comprehensive subject reports plus a summary report.</p>	
<p><u>ASaP reports (Unvalidated & Validated data)</u></p> <p>Personalised Analysis of your school's ASP summary including all your many cohorts.</p>	
<p>Data Packs for all Key Stages</p> <p>Covering key stage progress, attainment, school census data, attainment trends over time, subject combinations, absence, average point score, scaled scores, comparisons, pupil characteristics and deprivation indices.</p>	
<p>Narrative Reports – Produced in Word Format</p> <p>Fully editable - these four reports are a perfect base for reporting to governors, with the option to add own additional commentary and school logos.</p>	
<p>Personalised IDACI statements</p> <p>A clear profile of the factors affecting the pupils at your school/academy against wider context.</p>	
<p>Primary Scorecards</p> <p>Clear simple five-page summary that gives a clear indication of how your school has performed against national figures. Great for Governors/Key Staff.</p>	

**For transparency, certainty and consistency we calculate the price based on NOR in the January census of that year. As DAISI does not give analysis about your nursery pupils – the number of pupils used does not include them and we calculate costs from Reception upwards.*

Assessment Data Moderation Service

The ADMS Service provides support for schools in submitting accurate assessment data for Early Years, Phonics Y1 & Y2, Key Stage 1 and Key Stage 2 on time to the DfE.

Schools receive a report outlining the data they have submitted and a consent form to sign and return to the LA to confirm they are satisfied with their submitted data being forwarded to the DfE.

Assessment Data Moderation Service (ADMS)	
<p>£10 Early Years £10 Phonics £10 Key Stage 1</p> <p>£150 Key stage 2</p>	<p>Schools submitting data and consent forms within published deadlines pay no more than £150 for the data moderation.</p> <p><i>Late fees are payable for any school who does not submit their assessment data or consent forms by the published deadlines.</i></p> <ul style="list-style-type: none"> • £55 per assessment submission • £55 per consent form <p><i>More information:</i> https://daisi.education/assessment/</p>

Bespoke Adjustments

This bespoke service allows schools the option of adjusting their data. This might include removing identified pupils from the data set or adjusting attainment results because of remarking.

Bespoke Adjustments	
<p>£110 per report</p>	<p>For regraded test or assessment results along with the above pupil information, we also require the existing result and new result.</p> <p><i>More information:</i> http://daisi.education/bespoke-nottingham</p>

Bespoke Support

Bespoke Support (work with analyst)	
<p>£110 per hour £450 half-day £850 full day</p>	<p>This can include</p> <ul style="list-style-type: none"> • help with the completion of census returns • extra analysis reports (e.g. IDACI) • data entry/data cleaning • further analysis and interpretation of ASP or Ofsted IDSR • analysis of FFT Aspire reports for School Self-Evaluation and of the Governors Dashboard • design and production of data analysis reports for termly monitoring at school level and across a partnership

Census and Funding Support Service

The Census Data Collection and Checking Service works with and supports staff in schools responsible for the statutory census returns in the use of the DfE Sign-in website and COLLECT.

This census data relates to pupil premium, early years, school workforce and pupil characteristics. We help you to validate school data, resolve duplicates and learning aim queries and submit all the completed and accurate returns to the DfE on time to help your schools receive maximum funding.

Census Collections: **OCT / JAN / MAY**

School Workforce Collection: **NOVEMBER**

Census and Funding Support Service	
<p>Primary £2.00 per pupil Capped at £600</p> <p>Secondary £2.00 per pupil Capped at £1000</p> <p>PRU/Special £510</p>	<p>This service includes</p> <ul style="list-style-type: none"> • Full support for the completion of the accurate return to help receive maximum funding. • Census workshop/s providing guidance on the latest updates and changes to the statutory School Census process. • If required - One hour of Remote Support provided only through Teamviewer. <p>More information: https://daisi.education/school-census-information-and-guidance/</p>

**For transparency, certainty and consistency we calculate the price based on NOR in the January census of that year. The census price per pupil includes Nursery*

Information Sharing Service

These sessions support staff responsible for data entry to the school MIS and staff responsible for the statutory returns to the DfE in schools and other educational establishments.

DAISI Information Sharing Sessions	
<p>£60 per person</p>	<p>This is a non-software specific forum offers insight and information on changes to the data collection, the correct way to record data and access to information specialists in a variety of fields relevant to schools.</p>

Question Level Analysis

Question Level Analysis breaks the results of an assessment down into simpler parts – focusing in on successes and highlighting other areas.

[What do you find in a DAISI Question Level Analysis?](#)

KS2 SATs

ULN/UPN Searches

With our access to national pupil datasets, DAISI saves schools time and money by providing missing pupil UPN/ULN information for quick and easy completion of essential pupil records.

DAISI UPN/ULN Pupil Searches	
£25 Sold in bundles of 25.	We require the pupil's first name, surname, gender, DoB and Postcode to complete the search and can check any pupil regardless of location.

Training Courses

Bespoke training courses can be developed for your staff with the DAISI team. This could include a look at Ofsted IDSR or ASP, Interpretation of data, completion of census returns, improving data quality.

Bespoke Training	
£110 per hour £450 half-day £850 full day	This training can be 121 training, or a personalised session with the SLT or Governors examining your schools data, a session as part of a planned INSET day or an extended staff meeting.

Our Ordering Cycle

- DAISI uses the Nottingham City Council's financial model.
- The financial year starts on the 1st April and ends on the 31st March. All orders are therefore processed and explained using the model below.
- **Education Services Nottingham (ESN)** manages all invoicing of Nottingham maintained schools and academies on behalf of DAISI.
- Invoices are sent from the end of September – midway through our financial cycle. These are often a repeat of the previous year. If you would like to add anything different in – contact either the DAISI team or ESN.
- **Ordering in time ensures the timely delivery of your products and continuity of services.**
- Invoicing and payments are made between September – March, therefore falling neatly within the overlapping fiscal models.
