Children
PARTNERSHIP**

There are six Advanced Designated Safeguarding Leads (ADSL's) in the City of Nottingham who are available to support Designated Safeguarding Leads and school/academy leaders.

What do they do?

The Advanced Designated Safeguarding Lead can:

- ✓ Act as a forum for communication and consultation between schools and the Safeguarding Partnership but also with other partnership bodies.
- ✓ Provide an extended arm of front-line engagement with partnership activity through the Education Subgroup- Task and Finish activity will be led by ADSL where need identified.
- ✓ Support the functioning of the DSL Network.
- ✓ Develop and share evidence based good practice.
- ✓ Support training and development through the Safeguarding in Education pathway
- ✓ Support the NCSCP and schools to undertake audit activity.
- ✓ A range of other tasks for the NCSCP that strengthen safeguarding practices across the education directorate.

You might consider requesting support from an ADSL or the Schools and Education Safeguarding Coordinator for example if you have a new or recently appointed DSL, for a bespoke piece of training delivery or a deep dive into a particular area of safeguarding practice. Each individual request for support should be made by completing a '[request for support](#)' and once complete sent to the *Schools and Education Safeguarding Coordinator* claire.maclean@nottinghamcity.gov.uk, who leads the team, and will consider each request before considering allocation of an ADSL to support.

*Please note that all commissioned work by an ADSL is chargeable.

Laura Duffin
Old Basford School

Becky Hyder
LEAD Academy Trust

Kay Gray
Nottingham Free School

Ella Aitchison
Trinity Catholic School

Jo Rowlett
South Glade Primary
